By placing an order with us you will be deemed to have understood and agreed to these terms and conditions. If you do not agree or have any questions about any aspect of these, contact us before placing an order.

These terms and conditions and your use of our website are governed by English law and you agree to submit to the non-exclusive jurisdiction of the English court. This does not affect your statutory rights.

Confirmation of Your Order

A contract in the form of an invoice will become the start of your warranty period. In the event that a deposit has been given, note that all deposits are non-refundable. You can place an order in one of two ways, either by email or over the telephone.

Non-acceptance of an order may be a result of one of the following:

The product you ordered being out of stock

Our inability to obtain authorisation for your payment

Acceptance of an order placed by you will take place when your order is dispatched, unless you have cancelled the order in accordance with the Order Cancellation instructions set out below.

All goods remain the property of Fit Fur Life Ltd until paid for in full. Our invoice on order of acknowledgement do not signify acceptance of your order. We will check availability, pricing and your payment prior to acceptance and dispatch. Once we know we are ready to ship your order, your credit card (if used) will be charged.

Returns

You may normally return your order for any reason within 7 days of delivery of the treadmill. To do so you must give us written notice (including email) within that 7 day period. If you do cancel the contract within this time any payments made by you will be refunded in full within 30 days, excluding deposits, delivery and return charges. Purchases for delivery in the UK or mainland Europe will normally be delivered to you within 7 days of placing your order. For other destinations, times may vary. When your order is sent for despatch the freight company or us will advise by telephone or email. Delivery will usually be made by a courier service.

UK Delivery

All goods are carefully packed and shipped as soon as they are available to fulfil your order. The Delivery charge is dependant from where you are based. This is normally a two man delivery service, who will deliver your treadmill to a ground floor location of your choice in the UK only. Sometimes it is not possible to use a two man delivery service and in these instances you must have another person to help unload. It is essential that you inspect for damages before you sign for delivery. If there are damages, or if you are not able to check inside the packaging sign it not checked. Delivery will usually be made within 7 days of despatch.

Overseas Delivery

Overseas, BFPO and non-mainland UK(Channel Islands, Guernsey, Northern Ireland, Isle of Man, Northern areas of Scotland and Orkney Isles, Outer Hebrides and the Shetland Isles) shipping is charged at cost and may vary from the UK delivery charges. We will confirm the costs when we send you notification of acceptance of your order. Delivery times may vary please allow 7 – 21 days.

These items are heavy and we cannot guarantee that it will be a two man delivery service outside of UK. Please make sure you have sufficient help when unloading your treadmill.

For all our deliveries a signature will be required. Do not sign until you have inspected your goods. We will not be deemed responsible for any signatures given before inspection for damages has taken place. If you are not able to inspect the goods, then sign not checked.

Delivery Schedule

Please note that all the products and services, including those “on offer”, are subject to availability and may be withdrawn at any time, including after you have placed your order.

If your item is not in stock, we will back order it for you. In case of long delays of unavailability, you will always be notified.

We always endeavour to ensure the accuracy of the information provided but, inevitably, there is the possibility of us being “Out of Stock”.
